

MBD Series

Manual Bottom Drive Carton Sealer (MBD)

The BestPack™ MBD Series are operator-fed, adjustable, carton sealers designed to cater to the needs of light to heavy duty, uniform carton closure applications. The two bottom belts are driven by one bottom drive electric 110V UL approved motor. The MBD Series are also designed with four adjustable legs for quick easy height adjustment to production lines.

All units are available in standard finish or stainless steel. Also available with high speed 2" or 3" tape heads.
