

MTD Series

Manual Top & Bottom Drive Dual Mast Sealer

The BestPack® MTD Series are Semi-Automatic Adjustable Tape Carton Sealers with a new telescopic mast design that allows for a wider box range and better sealing stability.

The MTD system provides light to heavy duty carton sealing. These units are four-belt driven and come standard with a manual, selfcentering mechanism that permits the operator to quickly center the carton and the tape.

All systems incorporate our exclusive pop out pressure sensitive "High Speed" tape heads with patented tab adjustment.
